State Rules

PREFACE

1. The purposes of these rules are to:
 - a. Ensure educational and equitable competition;
 - b. Provide state-wide competition consistency; and
 - c. Maximize exhibitor and public safety.
2. These rules apply to all competitive exhibits conducted by district, citrus and county fairs that receive financial support from the State of California.
3. These rules cannot be waived or amended by anyone, including the fair board, management or judge.
4. The Division of Fairs & Expositions (F&E) is the final and absolute interpreter of these rules. Only a fair board of directors may request, in writing a variance on their own behalf or on behalf of an exhibitor to a specific rule. This request must be made prior to the start of the fair or specific competition for which a variance is requested. If F&E approves a specific variance request it may approve a conditional variance with specific conditions. Any approved variance shall expire at the conclusion of the annual fair.
5. Fair Management and/or Board of Directors may grant variances to ownership rule in the instance of deceased animals, submission of late entries and refund of entry fees. Variances may be ruled upon by F&E at the request of Fair Management and/or Board of Directors.
6. F&E will distribute any corrections and additions to these rules to fairs. It is the fair's responsibility to make them available. F&E does not represent or endorse the accuracy, currentness or reliability of any advice, opinion, statement or other information displayed by the fair in the distribution of corrections and additions to these rules. True and correct copies of all rules and any additions or corrections are available upon request at F&E during business hours, by mail or at www.cdfa.ca.gov/fe.
7. Fairs may create "Local Rules" that may be stricter than the State Rules but that may not circumvent the State Rules.
8. If a local rule is not printed in the exhibitor handbook the applicable State Rule will apply.
9. Competition at the California State Fair is governed by State Fair's rules.

 - b. Agree to abide by them;
 - c. Certify that all information on the entry form is true and accurate; and
 - d. Agree to comply with the fair's decision regarding any alleged violation of the state or Local Rules.
 - e. In the event that it is determined there has been unethical treatment of animals or violation of state or federal regulations or of state or local fair drug policy rules, exhibitor names will be forwarded to F&E as well as given to the Network of California fairs and to appropriate government agencies.
2. Exhibitors are responsible for obtaining entry form(s) & rules from fair, and submit the form(s) and any required fees by the closing date as specified by Fair Management.
3. No entry form or entry will be accepted after the closing date for entries.
4. Entry deadlines can be extended by the fair's Board of Directors only if the extension is made prior to the original closing date. *See also Horse Show Department.*
5. Substitutions can only be made within a division. Substitutions must be made when the exhibit arrives at the fairgrounds, or for livestock, when registration certificates are checked. In the livestock department a minimum \$5 penalty must be paid prior to judging for each substitution made by the exhibitor in excess of two in the division. *See also Horse Show Department.*
6. Requests for refunds must be made in writing to the fair, and may be granted upon approval of the Fair Management.

8. A complete exhibit eligible in more than one division and/or class will be entered and judged only in the division and/or class for which it best qualifies. Any exhibit not properly entered may be transferred to its proper class by Fair Management, whose decision may be changed only by the judge.
9. The Fair Management has the right to limit entries to facilities available and/or cancel any division or class in which there are not enough entries. Any return of entries or fees under this rule will be done on a nondiscriminatory basis. The decision of Fair Management under this rule is only appealable to the Chief Executive Officer (CEO), whose decision is final.
10. Fair Management may combine classes of 4 or less entries for meaningful competition.
11. Exhibitors may not submit the same entries to two or more fairs that require them to be on exhibit at the same time unless prior written approval has been obtained from both fairs. A copy of this approval must be submitted with entry forms.

Participation

12. The Fair Management shall deny entry or disqualify and remove any exhibit or exhibitor that is ineligible for competition under State and Local Rules or endangers the public or has violated State and Local Rules. The fair may require removal of the exhibitor and/or exhibit (including animals) from the fairgrounds. Failure to comply shall be reported to F&E and to the network of California fairs, which may be cause for any fair to deny entry of any exhibit.
13. Exhibitors, leaders, advisors and parents found, after a chance to provide evidence and be heard before the Fair Management (CEO and staff) of unethical practices as set forth in the State and Local Rules or in actions inimical with the fair program shall result in the exhibit being disqualified and the forfeiture of any awards and/or privileges as may be deemed appropriate to the circumstances by the Fair Management. If the judging for the exhibit has not yet commenced the exhibitor, leaders, advisors and parents may be denied entry in any exhibitions at the fair. The Fair Management shall report any such incidences of unethical or inimical behavior established by the fair as provided for in this rule, to F&E in writing and such reports may become the basis for any California fair to refuse entries from the exhibitor, leaders, advisors or parents for up to 5 years following the infraction.

14. Exhibits must be on exhibit as specified in the exhibitor handbook. Fair Management may allow late exhibit delivery or early removal of exhibits when it is in the best interest of the fair. The exhibitor agrees to defend, indemnify and hold harmless the fair, the county and the State of California from and against any liability, claim, loss or expense (including reasonable attorneys' fees) arising out of any injury or damage which is caused by, arises from or is in any way connected with participation in the program or event, excepting only that caused by the sole active negligence of the Fair. The Fair Management shall not be responsible for accidents or losses that may occur to any of the exhibitors or exhibits at the fair. 2. All divisions or classes will be judged under the American system and/or Danish system as stated in the fair's exhibitor handbook.
3. State "Judging Standards" are to be used where applicable. Local judging standards may be used if published in the exhibitor handbook.

5. Fair Management shall withhold the payment of awards for exhibits that are determined ineligible under State and Local Rules and may recover awards that have been paid for ineligible exhibits.
6. No exhibitor shall receive more than two cash awards in any one class using American judging system. (See definition of exhibitor.)

- a. When an exhibitor earns more than two awards in a class, the exhibitor will receive the two highest cash awards, and the lesser cash awards will be moved down the placings to other exhibitors; ribbons will be awarded as placed.
 - b. Any difference in payment limits under the Danish system of judging shall be printed in the exhibitor handbook.

 - b. 3-way tie for 1st place: Combine 1st, 2nd and 3rd place money and divide equally between the three exhibitors.
9. The fair will not guarantee sponsored donations.
10. Placing of ribbons does not guarantee correct judging placement. Only the official placing stated on the judging sheet(s) constitutes the final placement.

V. PROTEST

Fairs shall adopt and publish local procedures for the resolution of protests at the local level.

1. Protests will be considered only if there has been a violation of State or Local Rules. Decisions of judges, veterinarians, weighmasters, tail dock officials and timers cannot be protested and are final.
2. Protests must be accompanied by a deposit of either \$100.00 (cash, money order or certified check made payable to the fair) or \$200.00 if the protest relates to violations of State Rules X-XI (Animal Health Rules). NOTE: The deposit will be returned if the protest is upheld. If the protest is upheld, the violator may be held liable for any portion of the direct costs incurred by the fair in the course of the protest resolution. Failure to reimburse the fair shall be cause for disallowing

future entries in any of the network of California fairs.

7. Prior to judging the affected class, fairs may announce that an entry has been protested.
8. All questions concerning competition or non-protestable disputes or differences with staff or the exhibition not provided for under the State or Local Rules shall be referred to the CEO or their designee, whose decision shall be final.
